

NOTICE TO OUR ESTEEMED CUSTOMERS ON EMPTIES ACCEPTANCE AT ICD-NAIROBI

This is to notify all importers using the Inland Container Depot Nairobi (ICDN) that the Authority will only accept to rail empty containers under merchant haulage from ICDN to Mombasa whose owners have nominated their last mile service provider (transporter to evacuate from Portreitz SGR to ECD as per the guarantee) who will be ready to collect the empty container at Portreitz SGR loading/offloading zone.

Importers who may fail to provide the details of their last mile service provider will have their containers nominated by the Authority upon arrival at Portreitz SGR at the importers cost and any other related cost such as the CFS/ECD transfer cost and the applicable storage charges.
